Healing Abutments

Two weeks before we restore your implants, the doctor will need to surgically uncover them and place healing abutments to prepare the gum tissue. **A down payment will be due that day.** The amount paid will be credited towards the final restoration when done at our office.

Individual Crowns

These are attached to the surgical portion of the implant **after** the 6 month healing phase. This includes the healing abutment and the custom abutment that attaches to the crown. **Implant Crown $1122.00 each**

Temporary teeth for the 6 month healing phase

If you are missing 1-3 teeth, a removable temporary appliance can be made. This is **for esthetics only**; you **cannot** chew food with this temporary in place. **Upper arch $395.00 Lower arch $395.00**

If you are missing all of your teeth a temporary denture can be made for you. These can be worn while eating but taken off at night; mostly for esthetic purposes. **Upper arch $1122.00 Lower arch $1122.00**
